Amboseli National Park

Your safari starts here, and we're as excited about getting going as you are. We're really looking forward to meeting you, introducing you to your guide, and taking you out on the first steps of your safari.

You're in for a real safari treat when you visit Amboseli. It's one of Kenya's most beautiful parks, thanks to the fact that Mt Kilimanjaro, Africa's tallest peak (5895m), dominates most views here. Amboseli is also famous for its large population of elephants with big tusks, and you have an excellent chance of seeing lions, cheetahs, hyenas, zebras, buffaloes, giraffes, wildebeests and many gazelles while you're here. With 420 bird species recorded, it's also a great place for birding.

Nairobi

Welcome to Nairobi, which is a wonderful place to experience modern Kenyan culture, from the museums and wildlife attractions, to its fine markets, restaurants and nightlife.

Evening Game Drive

Going on an evening game drive is one of the highlights of any safari. This is when temperatures cool, the light becomes softer and the wildlife begins to get active. Not only will you be out when the light is best for taking photos, but it's also one of the best times of day for seeing the animals.

Lake Nakuru National Park

The time you spend in Lake Nakuru National Park is sure to be memorable. The park is most famous (and rightly so) for how easy it is to see black and white rhinos here, as well as the populations of lions (including some that, unusually, like to climb trees) and endangered Rothschild's giraffes. You've also a chance of seeing flamingos, leopards and plenty of birds. You might also fall in love with the pretty combination of lake, acacia forest and dramatic escarpment.

Evening Game Drive, Lake Nakuru National Park

You'll love the warm light and cooler temperatures as we take you out to explore on your evening game drive. This time of day is when both predators and prey are most active and it can feel as though anything could happen at any moment. This is when you'll most enjoy being on safari.

The facilities are first-rate, from the swimming pool to the bar and restaurant. But it's the location that really sets this place apart.

Masai Mara National Reserve

With the first light of dawn breaking over the Mara, you will set out for a full-day game drive, traversing the vast grasslands teeming with wildlife. The Maasai Mara is home to the legendary Big Five—lion, elephant, buffalo, leopard, and rhino—as well as cheetahs, hyenas, giraffes, and an abundance of herbivores. If traveling during the Great Migration (July to October), you may witness thousands of wildebeests and zebras braving the treacherous Mara River, where hungry crocodiles lie in wait.

Lunch will be served picnic-style under the shade of a towering acacia tree, allowing you to immerse yourself in the untamed beauty of the reserve. As the day progresses, you will track elusive predators stalking their prey, elephants lazily grazing, and perhaps even a pride of lions feasting after a successful hunt. As dusk falls, the golden hues of the savannah create an unforgettable sunset, painting the sky in fiery reds and deep purples.
